Our company at a glance:

At Lounge Away our mission statement is twofold - providing stylish, modern, quality furniture to our clients at a reasonable price and offering efficient, reliable customer service to all. We believe in building strong working relationships with our clients so that all are benefited.

Having more than 10 years experience in working with various interior decorators, artists and different role players in the interior décor space we are well qualified to present you with the latest trends and décor possibilities - both locally and internationally. Being a family business, we have stuck to doing business with our core values in tact - honesty, transparency and service with a smile.

We are continuously updating and adding to our available stock and keeping an eye out for the latest trends and colours. In addition to this we have different colour options available - feel free to enquire regarding this.

Visit our online store to customise your home or office space and be prepared to Lounge Away!
